ADMINISTRATIVE PROVISIONS

SECTION 3. General Authority.

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

SECTION 4. Interim Budget Provisions.

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment shall be authorized during the interim period other than equipment that, in the discretion of the Controller, is reasonably required for the continued operation of existing programs or projects previously approved by the Board of Supervisors. Authorization for the purchase of such equipment may be approved by the Board of Supervisors.

During the period of the interim annual appropriation ordinance and interim annual salary ordinance, no transfer of funds within a department shall be permitted without approval of the Controller, Mayor's Budget Director and the Budget Analyst of the Board of Supervisors.

When the Budget Committee reserves selected expenditure items pending receipt of additional information from departments, upon receipt of the required information to the satisfaction of a financial committee, the Controller may release the previously reserved funds with no further action required by the Board of Supervisors.

If the Budget Committee of the Board of Supervisors recommends a budget that increases funding that was deleted in the Mayor's Budget, the Controller shall have the authority to continue to pay these expenses until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 4.1 Interim Budget – Positions.

No new position may be filled in the interim period with the exception of those positions which in the discretion of the Controller are critical for the operation of existing programs or for projects previously approved by the Board of Supervisors or are required for emergency operations or where such positions would result in a net increase in revenues or where such positions are required to comply with law. New positions shall be defined as those positions that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended, through June 30 of the prior fiscal year. In the event the Mayor has approved the reclassification of a position in the department's budget for the current fiscal year, the Controller shall process a temporary or "tx" requisition at the request of the department and subject to approval of the Human Resources Director. Such action will allow for the continued employment of the incumbent in his or her former position pending action by the Board of Supervisors on the proposed reclassifications.

If the Budget Committee of the Board of Supervisors recommends a budget that reinstates positions that were deleted in the Mayor's Budget, the Controller and the Director of Human Resources shall have the authority to continue to employ and pay the salaries of the reinstated positions until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

SECTION 5. Transfers of Functions and Duties.

Where revenues for any fund or department are herein provided by transfer from any other fund or department, or where a duty or a performance has been transferred from one department to another, the Controller is authorized and directed to make the related transfer of funds, provided further, that where revenues for any fund or department are herein provided by transfer from any other fund or department in consideration of departmental services to be rendered, in no event shall such transfer of revenue be made in excess of the actual cost of such service.

Where a duty or performance has been transferred from one department to another or departmental reorganization is effected as provided in the Charter, in addition to any required transfer of funds, the Controller and Human Resources Director are authorized to make any personnel transfers or reassignments between the affected departments and appointing officers at a mutually convenient time, not to exceed 100 days from the effective date of the ordinance transferring the duty or function. The Controller, Director of Human Resources and Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized and directed to make such changes as may be necessary to conform all applicable ordinances to reflect said reorganization, transfer of duty or performance between departments.

SECTION 5.1 Agencies Organized under One Department.

Where one or more departments or agencies are organized under a single appointing officer or department head, the component units can continue to be shown as separate agencies for budgeting and accounting purposes to facilitate reporting. However the entity shall be considered a single department for purposes of employee assignment and seniority, position transfers, transfers of monies among funds, and reappropriation of funds.

SECTION 5.2 Continuing Funds Appropriated.

In addition to the amount provided from taxes, the Controller shall make available for expenditure the amount of actual receipts from special funds whose receipts are continuously appropriated as provided in the Administrative and Municipal Codes.

SECTION 5.3 Multi-Year Revenues.

In connection with money received in one fiscal year for departmental services to be performed in a subsequent year, the Controller is authorized to establish an account for depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be carried forward and become a part of the funds available for appropriation in said ensuing fiscal year.

SECTION 5.6 Collection Services.

In any contracts for the collection of unpaid bills for services rendered to clients, patients or both by the Department of Public Health in which said unpaid bills have not become delinquent pursuant to the provisions of Administrative Code Section 10.37 and 10.38, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the various divisions and institutions of the Department of Public Health to record such recoveries. Any percentage of the amounts, not to exceed 25%, recovered from such unpaid bills by a contractor is hereby appropriated to pay the costs of said contract. The Controller is authorized and is hereby directed to establish appropriate accounts to record total collections and contract payments relating to such unpaid bills.

SECTION 5.7 Contract Amounts Based on Savings.

When the terms of a contract provide for payment amounts to be determined by a percentage of cost savings or previously unrecognized revenues, such amounts as are actually realized from either said cost savings or unrecognized revenues are hereby appropriated to the extent necessary to pay contract amounts due. The Controller is authorized and is hereby directed to establish appropriate accounts to record such transactions.

SECTION 5.8 Collection and Legal Services

In any contracts between the City Attorney's Office and outside counsel for legal services in connection with the prosecution of actions filed on behalf of the City or for assistance in the prosecution of actions that the City Attorney files in the name of the People, where the fee to outside counsel is contingent on the recovery of a judgment or other monies by the City through such action, the Controller is hereby authorized to adjust the estimated revenues and expenditures of the City Attorney's Office to record such recoveries. A percentage of such recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller determines were actually incurred to prosecute such action, is hereby appropriated from the amount of such recoveries to pay the contingent fee due to such outside counsel under said contract and any costs incurred by the City or outside

SECTION 7. Allotment Controls.

Since several items of expenditures herein appropriated are based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the Controller to establish a schedule of allotments, of such duration as the Controller may determine, under which the sums appropriated to the several departments shall be expended. The Controller shall revise such revenue estimates periodically. If such revised estimates indicate a shortage, the Controller shall hold in reserve an equivalent amount of the corresponding expenditure appropriations set forth herein until the collection of the amounts as originally estimated is assured, and in all cases where it is provided by the Charter that a specified or minimum tax shall be levied for any department the amount of appropriation herein provided derived from taxes shall not exceed the amount actually produced by the levy made for such department.

The Controller in issuing payments or in certifying contracts, purchase orders or other encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted portions of appropriation items to be available for encumbrance or expenditure and shall not approve the incurring of liability under any allotment in excess of the amount of such allotment. In case of emergency or unusual circumstances which could not be anticipated at the time of allotment, an additional allotment for a period may be made on the recommendation of the department head and the approval of the Controller. After the allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful for any department or officer to expend or cause to be expended a sum greater than the amount set forth for the particular activity in the said allotment schedule so established, unless an additional allotment is made, as herein provided.

Allotments, liabilities incurred and expenditures made under expenditure appropriations herein enumerated shall in no case exceed the amount of each such appropriation,

unless the same shall have been increased by transfers or supplemental appropriations made in the manner provided by Section 9.105 of the Charter.

When the replaced equipment is sold, in lieu of being traded-in, the proceeds shall be deposited to a revenue account of the related fund. Provided, however, that so much of said proceeds as may be required to affect the purchase of the new equipment is hereby appropriated for the purpose. Funds herein appropriated for automotive equipment shall not be used to buy a replacement of any automobile superior in class to the one being replaced unless it has been specifically authorized by the Board of Supervisors in the making of the original appropriation.

Appropriations of equipment from current funds shall be construed to be annual appropriations and unencumbered balances shall lapse at the close of the fiscal year.

SECTION 7.3 Enterprise Deficits.

Funds appropriated herein to meet estimated enterprise deficits shall be made available to each such enterprise only to the extent that an actual deficit shall exist and not to exceed the amount herein provided. Any amount not required for the purpose of meeting an enterprise fund deficit shall be transferred back to the General Fund at the end of each fiscal year. Provided, however, that the Board of Supervisors, in the annual budget, may approve appropriating such amounts to fund the activities of the enterprise in the succeeding fiscal year.

The Controller is authorized to increase Federal and State funds that may be claimed due to new General Fund expenditures appropriated by the Board of Supervisors. The Director of Human Resources is authorized to add civil service positions required to implement the programs authorized by these funds. The Controller and the Director of Human Resources shall report to the Board of Supervisors any actions taken under this authorization before the Board acts on the Annual Appropriation and Annual Salary Ordinances.

SECTION 9. Interdepartmental Services.

The Controller is hereby authorized and directed to prescribe the method to be used in making payments for interdepartmental services in accordance with the provisions of Section 3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which may be required to pay for future obligations which result from current performances. Whenever in the judgment of the Controller, the amounts which have been set aside for such purposes are no longer required or are in excess of the amount which is then currently estimated to be required, the Controller shall transfer the amount no longer required to the fund balance of the particular fund of which the reserve is a part. Provided further that no expenditure shall be made for personnel services, rent, equipment and capital outlay purposes from any interdepartmental reserve or work order fund without specific appropriation by the Board of Supervisors.

The amount detailed in departmental budgets for services of other City departments cannot be transferred to other spending categories without prior agreement from both the requesting and performing departments.

The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may adjust charges or fees for services that may be authorized by the Board of Supervisors for the administration of the Computer Store. Such fees are hereby appropriated for that purpose.

The Controller is authorized to approve the use of existing salary appropriations within departments to fund permanent appointments of up to six months to backfill anticipated vacancies to ensure implementation of successful succession plans and to facilitate the transfer of mission critical knowledge.

Appointments to seasonal or temporary positions shall not exceed the term for which the Controller has certified the availability of funds.

The Controller shall be immediately notified of a vacancy occurring in any position.

SECTION 10.1 Positions, Funds, Transfers for Specific Purposes.

Funds for personnel services may be transferred from any legally available source on the recommendation of the department head and approval by the Director of Administrative Services, Board or Commission, for departments under their respective jurisdiction, and on authorization of the Controller with the prior approval of the Human Resources Director for:

- (e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.
- (f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

Repayment of these advanced disability retirement payments from CalPERS and from employees are hereby appropriated to the departments' salary account.

(i) The Controller is authorized to transfer funds into a Post Employment Retiree Health Benefit Trust Fund to offset a portion of the liability of retiree health costs for anticipated new hires. The calculation of the transfer will be based on 1% of the salary paid to expected hires over the fiscal year. The source of funds from non-General Fund supported departments may be transferred from any legally available source from these departments.

SECTION 10.2 Professional Services Contracts.

Funds appropriated for professional service contracts may be transferred to the account for salaries on the recommendation of the department head for the specific purpose of using City personnel in lieu of private contractors with the approval of the Human Resources Director and the Mayor and the certification by the Controller that such transfer of funds would not increase the cost of government.

SECTION 10.3 Salary Adjustments, Memoranda of Understanding (MOUs).

SECTION 10.5 Funding Memoranda of Understanding (MOUs).

The General Services Agency shall include required positions and operating costs in its annual budget, funded by the Treasure Island Development Authority.

SECTION 14. Departments.

The term department as used in this ordinance shall mean department, bureau, office, utility, agency, board or commission, as the case may be. The term department head as used herein shall be the chief executive duly appointed and acting as provided in the Charter. When one or more departments are reorganized or consolidated, the former

entities may be displayed as separate units, if, in the opinion of the Controller, this will facilitate accounting or reporting.

(a) The Public Utilities Commission shall be considered one entity for budget purposes and for disbursement of funds within each of the enterprises. The entity shall retain its enterprises, including Water, Hetch Hetchy, Wastewater, and the Public Utilities Commission, as separate utility fund enterprises under the jurisdiction of the Public Utilities Commission and with the authority provided by the Charter. This section shall not be construed as a merger or completion of the Hetch Hetchy Project, which shall not be deemed completed until a specific finding of completion has been made by the Public Utilities Commission. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

(b) There shall be a General Services Agency, headed by the City Administrator, including the Department of Public Works, the Department of Telecommunication and Information Services, and the Department of Administrative Services

The City Administrator shall be considered one entity for budget purposes and for disbursement of funds. This budgetary structure does not affect the separate legal status of the departments placed within the entity: Administrative Services, Medical Examiner, Convention and Facilities Management, and Animal Care and Control. Each of these departments shall retain the duties and responsibilities of departments as provided in the Charter and the Administrative Code, including but not limited to appointing and contracting authority.

(c) There shall be a Human Services Agency, which shall be considered one entity for budget purposes and for disbursement of funds. Within the Human Services Agency shall be two departments: (1) the Department of Human Services, under the Human Services Commission, and (2) the Department of Aging and Adult Services ("DAAS"), under the Mayor, includes Adult Protective Services, the Public Administrator/Public Guardian, the Mental Health Conservator, the Office on Aging, the County Veterans' Service Officer, and the In-Home Supportive Services Program. This budgetary structure does not affect the legal status or structure of the two departments, unless reorganized under Charter Section 4.132. The Director of Human Resources and the Controller are authorized to transfer employees, positions, and funding in order to effectuate the transfer of the program from one department to the other. The consolidated agency will be recognized for purposes of determining employee seniority, position transfers, budgetary authority and transfers or reappropriation of funds.

The departments within the Human Services Agency shall coordinate with each other and with the Commission on Aging to improve delivery of services, increase administrative efficiencies and eliminate duplication of efforts. To this end, they may share staff and facilities. The Commission on Aging shall remain the Area Agency on Aging. This coordination is not intended to diminish the authority of the Commission on Aging over matters under the jurisdiction of the Commission.

The Director of the Commission on Aging also may serve as the department head for DAAS, and/or as a deputy director for the Department of Human Services, but shall receive no additional compensation by virtue of an additional appointment. If an additional appointment is made, it shall not diminish the authority of the Commission on Aging over matters under the jurisdiction of the Commission.

SECTION 15. Travel for Officers and Employees.

The Controller shall establish rules for the payment of all amounts payable for travel for officers and employees, and for the presentation of such vouchers as he shall deem proper in connection with expenditures made pursuant to said Section. No allowance shall be made for traveling expenses provided for in this ordinance unless funds have been appropriated or set aside for such expenses in accordance with the provisions of the Charter.

The Controller may advance the sums necessary for traveling expenses, but proper account and return must be made of said sums so advanced by the person receiving the same within ten days after said person returns to duty in the City and County of San Francisco, and failure on the part of the person involved to make such accounting shall be sufficient cause for the Controller to withhold from such persons pay check or checks in a sum equivalent to the amount to be accounted.

SECTION 16. Contributed Revenue Reserve.

The Controller is hereby authorized to establish a Contributed Revenue Reserve to accumulate receipts in excess of those estimated revenues or unexpended appropriations stated herein. Said reserve is established for the purpose of funding the budget of the subsequent year, and the receipts in this reserve are hereby appropriated for said purpose.

SECTION 17. Airport Service Payment.

The moneys received from the Airport's revenue fund as the Annual Service Payment provided in the Airline-Airport Lease and Use Agreement are in satisfaction of all obligations of the Airport Commission for indirect services provided by the City and County of San Francisco to the Commission and San Francisco International Airport and constitute the total transfer to the City's General Fund. An amount equivalent to the amount of such moneys as may periodically be received from the Airport's revenue fund, as said annual service payment, shall, as a matter of policy, be applied toward satisfaction of any operating deficit incurred by the Municipal Railway.

The Controller is hereby authorized and directed to transfer to the City's General Fund from the Airport revenue fund with the approval of the Airport Commission funds that constitute the annual service payment provided in the Airline - Airport Lease and Use Agreement in addition to the amount stated in the Annual Appropriation Ordinance.

On the last business day of the fiscal year, unless otherwise directed by the Airports Commission, the Controller is hereby authorized and directed to transfer all moneys remaining in the Airport's Contingency Account to the Airport's Revenue Fund. The Controller is further authorized and directed to return such amounts as were transferred

from the Contingency Account, back to the Contingency Account from the Revenue Fund Unappropriated Surplus on the first business day of the succeeding fiscal year, unless otherwise directed by the Airports Commission.

SECTION 18. Pooled Cash, Investments.

The Treasurer and Controller are hereby authorized to transfer available fund balances within pooled cash accounts to meet the cash management of the City, provided that special and non-subsidized enterprise funds shall be credited interest earnings on any funds temporarily borrowed there from at the rate of interest earned on the City Pooled Cash Fund. No such cash transfers shall be allowed where the investment of said funds in investments such as the pooled funds of the City and County is restricted by law.

SECTION 19. Matching Funds for Federal or State Programs.

Funds contributed to meet operating deficits and/or to provide matching funds for federal or State aid (e.g. Medicaid under SB 855 or similar legislation for San Francisco General Hospital) are specifically deemed to be made exclusively from local property and business tax sources.

SECTION 20. Advance Funding of Bond Projects – City Departments.

Whenever the City and County has authorized appropriations for the advance funding of projects which may at a future time be funded from the proceeds of general obligation, revenue, or lease revenue bond issues or other legal obligations of the City and County, the Controller shall recover from bond proceeds or other available sources, when they become available, the amount of any interest earnings foregone by the General Fund as a result of such cash advance to disbursements made pursuant to said appropriations. The Controller shall use the monthly rate of return earned by the Treasurer on City Pooled Cash Fund during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 21. Advance Funding of Projects – Transportation Authority.

Whenever the San Francisco County Transportation Authority requests advance funding of the costs of administration or the costs of projects specified in the City and County of San Francisco Transportation Expenditure Plan which will be funded from proceeds of the transactions and use tax as set forth in Article 14 of Part III of the Municipal Code of the City and County of San Francisco, the Controller is hereby authorized to make such advance. The Controller shall recover from the proceeds of the transactions and use tax when they become available, the amount of the advance and any interest earnings foregone by the City and County General Fund as a result of such cash advance funding. The Controller shall use the monthly rate of return earned by the Treasurer on General City Pooled Cash funds during the period or periods covered by the advance as the basis for computing the amount of interest foregone which is to be credited to the General Fund.

SECTION 22. Controller to Correct Clerical Errors.

The Controller is hereby authorized and directed to adjust interdepartmental appropriations, make transfers to correct objects of expenditures classifications and to correct clerical or computational errors as may be ascertained by the Controller to exist in

the Annual Budget as adopted by the Board of Supervisors. The Controller shall file with the Clerk of the Board a list of such adjustments, transfers and corrections made pursuant to this Section.

The Controller is hereby authorized to make the necessary transfers to correct objects of expenditure classifications, and corrections in classifications made necessary by changes in the proposed method of expenditure.

SECTION 23. Transfer of State Revenues.

The Controller is authorized to transfer revenues among City departments to comply with provisions in the State budget.

SECTION 24. Use of Permit Revenues from the Department of Building Inspection.

Permit revenue funds from the Department of Building Inspection that are transferred to other departments as shown in this budget shall be used only to fund the planning, regulatory, enforcement and building design activities that have a demonstrated nexus with the projects that produce the fee revenues.

SECTION 25. Municipal Transportation Agency Fare and Pass Policies.

In accordance with Charter Sections 8A.106 and 8A.108, the Board of Supervisors has accepted the entire base budget for the Municipal Transportation Agency, including the following fare policies for the Municipal Railway for fiscal year 2007-2008 set forth here for information.
